9th October 2018

Dear Parents,

SCHOOL PHOTOGRAPHS

The photographer will be in school all day on **Wednesday 24th October**. All the children will have an individual photo taken for their school records. A copy of your child's photograph(s) will be sent home but you are under no obligation to buy them. **YOU DO NOT NEED TO COMPLETE THE FORM BELOW FOR INDIVIDUAL PHOTOGRAPHS.**

Due to time restraints, we will no longer be able to take family photographs which include pre-nursery children. We will continue to take photographs of sibling link children in school. If you do require your children in school to have their photographs taken together, please complete the slip below and return to the office.

As these photographs are a memento of your child's time at school, uniform must be worn.

Yours sincerely,
S Lymer
