Year 2 Learning Jigsaw

Here are some optional activities to support you and your child while they are not at school.

Pick and choose which activities work best for you and remember to have fun!

<https://web.seesaw.me/>

Think of others

Make a card for someone you are missing during the lockdown.

If you know their address, you could post it to them.

What kind words would you say to cheer them up?

What pictures could you use to brighten their day?

Art

Using an old tissue box and other recyclable materials, can you create your own monster?

Art

Watch this video to look at what scribble art is. <https://pin.it/gY7afcy>

After the video, make your own scribble art by yourself or with a family member. How colourful and creative can you make your scribble art?

Science

Take a video of your scavenger hunt adventure!

Find something that you can turn
Find something that is bumpy
Find something you put together
Find three things that are round
Find something you can twist
Find something shiny
Find something you can roll
Find something which can bend
Find three things you can squash
Find something transparent
