

Broadmere News

A Message from Mrs Hall

To our families and friends,

Dear parents and carers,

Welcome to the second half of the Autumn term!

Our Value of the Month: Hope

Being hopeful means:

- believing that you have the will and the way to achieve your goals, dreams and wishes.
- having positive and optimistic thoughts and believing that good things will happen
- having plans to achieve goals
- overcoming setbacks
- reflecting on how hope is so important when things go wrong

Attendance:

Currently our attendance is at 93.7% which is disappointing.

Our target is 95.3%. This is a whole school community target – please ensure your child is in school, learning, every day. Holidays/family gatherings during term time have a detrimental effect on your child's learning and future success.

Teaching Team:

Garnet Class is getting a new teacher – Mr Chadwick will be joining our team on the 7th November. We wish Mrs Jago all the best as she continues with her teaching career in another local school.

School improvement:

We have been working with South Farnham Schools (Infants and Juniors) in order to drive through improvements. South Farnham is an Outstanding school and for this reason we have invested in a support package. This includes teaching staff from Broadmere visiting and observing teaching and learning at the South Farnham Schools as well as a leadership partner from South Farnham Trust working with the leadership team at Broadmere and New Monument schools to quality assure judgements of teaching and learning.

Lunch arrangements:

A polite request to parents – please send in packed lunches with your children in the morning, lunches that arrive during the day take our office staff away from their tasks whenever they need to deliver a packed lunch to the classroom.

Office Opening Hours:

Please note the office hours are 8.00am to 4.30pm. Could you please ensure you call in every instance your child is ill either via our answerphone out of office hours. Thank you.

No Nuts:

We currently have children who are allergic to nuts in School, please can we remind all parents **not** to include any nut items in lunchboxes (including peanut butter and Nutella spread) thank you.

Coats:

As the weather has turned cooler, please could we remind you that all children should come to school with a suitable coat/scarf/gloves in order for the children to play outside during break and lunchtime.

Information sheets:

It is vitally important that we keep our family information correct and up to date if there have been changes – this is for the safety of your children. Please return any outstanding information sheets and/or advise the office of any changes (telephone numbers, addresses, etc)

Mrs Judy Hall

Reception - Emerald and Sapphire

We have been so excited to explore and learn in our new outdoor area. We have enjoyed using the hills, slide and climbing wall! Last half term we learnt about the Rainbow Fish story. We created puppets, pictures and story maps to show our writing. Also, we were challenged with a class project. We decided we needed to work together as a team to design and decorate a rainbow fish for a display. We were all very proud of our achievements. Finally, we would like to welcome a new addition into our classroom, we have a fish tank which we will need to work together to make sure our fish are fed and kept healthy.

On Friday 11th November, the children classes will participate in a Remembrance Day with a History focus. Their work will be the hall and in the afternoon a whole school assembly so that the children are able to share their learning with At 11 am we will hold a minute's silence to reflect on those who have lost their lives and their loved ones during conflicts over the years since World War 1.

Remembrance Day

in all of our project displayed in will be held one another.

Mrs Mathews (History Leader)
