

A word from Mrs Farren...

This week Norton children were taught many important first aid/ life -saving skills. These included how to call 999 in an emergency, how to make a sling and (the older children) even learnt how to use a defibrillator. The trainers commented on how polite, well behaved and grown up all the children were.

Tomorrow, Saturday 8th June, is our Family Walk and Picnic fundraiser for Wallace & Gromit's Grand Appeal at Bristol Children's Hospital. We will meet at 11.30am on the school field for a walk in the community of approximately 3 miles, followed by a picnic on the school field. Please bring your own picnics; cakes will be available for a small donation.
