

A word from Mrs Farren...

As a school we are focusing on the mental and physical health of our pupils: happy, healthy children learn better. Part of this focus is teaching children about well-being. So that you can support your child at home and learn more about this, we have added 3 documents to Dojo and our class pages which support this and which we think you might find helpful.

Have a great weekend.

Saturday 8th June

To raise money for Wallace & Gromit's Grand Appeal at Bristol Children's Hospital where our incredible pupil, Owen, is currently being treated we will be hosting a fundraising walk and picnic.

11:30am meet on the school field for a walk in the community (approx. 3 miles) followed by a picnic on the school field.

Minimum of £5 per family - please send money in an envelope stating the number of people attending to the school office prior to the event.

Please bring your own picnics. Refreshments will be included.

Cakes will be available for a small donation.

Please spread the word, it would be great to raise lots for this amazing cause!
