

A word from Mrs Farren...

Question of the week: **Why is important to live in a community where everyone is different?**

As you know, we have been introducing question of the week. It is so important to spend quality time chatting with children- talking brings you closer together and increases your child's vocabulary and social skills.

Challenge lent: Lent begins after half term (26th Feb -9th April). If you haven't decided what to give up, why not pledge to limit screen time? This will free you up to play, chat and spend quality time as a family, only using phones, TV, tablets when necessary. Phones in particular become a habit and if you are constantly on your phone, it sends out a message to others around you that they are less important than social media.

Have a wonderful half term
