

A word from Mrs Farren...

We would like to reassure you that we have had no positive cases of Coronavirus in school. We are continuing to follow government guidelines carefully (keeping children in bubbles, frequent hand washing/sanitising, keeping distance from others where possible...). The government have recently announced new, stricter measures as cases of COVID increase nationally. In line with this, from Monday we would like to make 2 important changes:

- 1) From Monday 28<sup>th</sup> September, you **MUST** wear face masks when bringing and collecting your child from school. This is because many of you have no choice but to wait in the car park, especially if you have more than one child to collect; we have been unable to guarantee social distancing outside of the school grounds. We must all play our part in keeping our community COVID free and we thank you for your support with this.
- 2) End of the day is pick up is between 3-3:30pm to facilitate curriculum coverage

We do not anticipate having to close either partially or as a whole school. However, we have put in place new home learning plans in case this has to happen at any point. Please look out for the questionnaire that will be sent home on Monday.

Have a lovely weekend  
Mrs Farren and Team Norton
