

A word from Mrs Farren...

Question of the week: What 3 things will you do this week to make other people happy?

Welcome back! We hope you had a wonderful break with your amazing children.

Attendance

There is a new attendance section on our school website. This section includes guidance on the law regarding penalty notices and prosecution for non-attendance at school. Please ensure that your child attends school every day this term unless they are ill.

Well Being

I would like to thank Mrs Frost and the team for their excellent work on pupil well-being and mental health; they have been recognised by county as mental health champions. There is a new mental health and wellbeing section on our school website which explains a bit about what the school can offer as well as providing useful links.

Have a wonderful weekend
