

30.6.21 Maths starter: Can you put these numbers in order?

(Top tip, start with the smallest and largest, then find those in between!)

If you find it easier to do this by cutting them out and moving them round, that's fine!

15, 8, 51, 17, 32

91, 48, 19, 84, 64

60, 16, 73, 37, 59

89, 18, 62, 26, 49

31, 97, 70, 17, 78
