

W.C 20.10.14 I can write a character description of the main character from the story 'Lila and the Secret of Rain.'

Lila has brownish black curly hair. Most of the time she wears bright red because that is her favourite colour. Usually she is extremely happy. She is confident because she climbed a mountain by herself. Occasionally she is pessimistic because she never gives up. Everyday she is helpful to every Nillger. Often she wears patterned clothes that she likes.

Finally she is very thoughtful because she is very helpful.
