

Topaz Class

Everyone in Topaz class has settled in really well since starting in September. We enjoyed dressing up in spotty and stripy clothes to start off our topic of 'Spots and Stripes'.

Our focus author this term is Julia Donaldson and so we have been reading 'What the Ladybird Heard'. We have been busy doing lots of creative art work from the story for our display.

There is a lot to do in the classrooms and we enjoy sharing with Ruby class. Some of our learning includes reading in our garden inspired book corner, creating pictures using paint, pastels and collage on the creative table and learning our numbers in our maths zone. We also love to use the outside area in our learning, riding bikes, building towers and exploring.
