

WELCOME

Welcome to the first FIPS (Friends in Perryfields School) newsletter of the year. We are a group of parents, grandparents and carers who **organise fundraising events for the school**. Every parent / carer who has a child at the school is welcome to be a part of these activities.

As a group we organise the dates of the activities but on the day it is up to parents like you to help make it happen.

You are all welcome to come to our next FIPS meeting on 25th Oct at 2:00pm

At our last meeting we welcomed new members and discussed events for the Autumn term, movie night, disco and Christmas fayre. Mrs Reid is also looking into a Circus event to celebrate the 50th anniversary of Perryfields Infant school.

To continue to give our children the best facilities and exciting events please consider helping FIPS as we cannot do this without the help and support of parents and carers.
