

Cut out the clock shape and the hands.

You can write the numbers in the correct places yourself or cut out the numbers on sheet 2. Look at a real clock to check which numbers go at the top and bottom.

Cut out some hands and either use a split pin or some Blu Tac to fix them in place, not glue or tape because that cannot be moved!

12	4	<u>9</u>	2
3	8	11	5
7	10	1	<u>6</u>
