The Perryfields Post

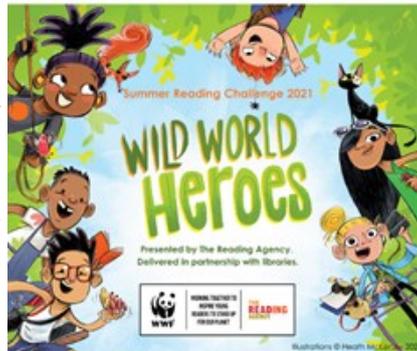

Dear Parents and Carers,

The Euros are over and although we weren't triumphant I feel that the standard of football played was fantastic. I know that several of the children and staff stayed up to watch this event and the children happily discussed this in class.

I do hope you have enjoyed reading your child's report this week. I have thoroughly enjoyed reading every child's report and feel so proud of their achievements and the uplifting comments that they have received from their class teachers. Well done everyone.

The Summer Reading Challenge

This week Mrs Fairbanks delivered an assembly about the library's Big Summer Read. Please encourage your children to visit the local library to borrow and read some books over the holidays. Six weeks is a long time not to read. It's completely free to sign up! Your library will give you a special Collector Poster map of Wilderville and help you find books to read. As you read books for your Challenge, return to the library to receive stickers to add to your map—some of them even have smells!

Collect all the stickers to complete the Challenge. Once the children have read six books they will receive a Wild World Heroes certificate and a medal too!

Parents and children can also access the school's Oxford Owl site and read age-related books during the holidays.

Covid Rules and Guidelines

On Monday the government explained how and why the Covid restrictions are being eased in England. On the 16th August most Covid restrictions in schools—including "bubbles" will come to an end, ahead of the autumn term. With this in mind **we will continue to follow the current school Covid rules until the end of this academic year.** Please can we keep to the staggered times, wearing face masks and socially distancing until the end of this academic year. I will be in touch shortly about the September arrangements.

Staff Changes

I am sad but at the same time also pleased to say that Mrs Sullivan will be leaving us at the end of the year. Mrs Sullivan has been an LSA with us for 14 Years. She has successfully got a place on a teacher training course and we wish her all the best. She will be fab!

We also say goodbye to Mrs Smith who will be leaving us to train to be an occupational therapist. We will miss her but know she will be great in their new role.

Finally, we say goodbye to Mrs Plush who has decided to take early retirement and look after her grandson, which is fantastic. I am sure you will join us in wishing them all the very best.

We also welcome a new teacher to the school in September. Miss Williams will be joining us from Stapleford Abbots Primary School as our new EYFS lead and Ruby Class teacher.
