

# Shanghai Live!

## For Primary and Secondary Teachers

A unique opportunity to observe and discuss lessons taught by maths teachers from Shanghai

*The sessions will include discussions about lesson design, reflecting on both the similarities and differences underpinning mathematics teaching in the UK and Shanghai*

### Primary

11 or 12 March, 9.15-11.30 at Woodford Primary, Plymouth looking at the following on both dates:

Year 3 - multiplication and division

Year 5 - Geometry sequence

### Secondary

10 or 11 March, 9.30-12.30 at Launceston College

A free opportunity for Southwest teachers to observe two visiting teachers teach Year 7 and Year 8 lessons (both dates) and to engage in a reflective post-lesson discussion.

One of only 12 Hubs across the country to have been selected!

**Launceston College**

Part of the Launceston College Multi Academy Trust
