The Diocese of Truro are offering training and support to all involved in school governance in Cornwall and the Isles of Scilly.

School governance covers governors in local authority maintained schools as well as directors/trustees and members in academies and multi academy trusts, governors on local boards or individuals on advisory boards and clerks.

We have experienced trainers who will cater the training to the specific needs of each group. The training can be for individuals as well as groups, full boards and/or groups of schools wishing to come together to train.

To discuss your training requirements, please contact Bex Couch, Governance Development Officer on education@truro.anglican.org or 01872 274351. We acknowledge the training is being delivered in Threemilestone, Truro, this is to keep costs down. If you have a venue we could use for training events then please get in touch.
