

Truro and Roseland Learning Community Governor's Annual Conference

'Making a Difference'

Obtain a National and Local Perspective and
developments around Effective Governance
linked to School Improvement

Target Audience: All Governors from across all phases of education; Nursery, Primary, Secondary and Tertiary and all types of schools or academies.

Keynote Speaker: Claire Emery – South West Regional Advisor Academy Ambassadors

Claire is an education specialist in governance and strategic leadership based in Bristol. She is CIPD qualified, an accredited leadership coach and mentor, and registered contractor for the Department for Education providing external expertise plus interim executive support to academy trusts in the South West region. Claire previously worked in the finance sector and independent management consultancy, owned a holistic therapy business and lectured at City of Bristol College. As a practitioner, Claire is an experienced MAT Member and Chair of Trustees having led 2-19 organisations and interim academy boards to ensure the vision and strategy serves the best interests of pupils.

Strategic overview in terms of Leadership and Middle
Management

Challenging effectively

Clarity in a changing climate
