Dear Parents,
I understand that new school finishing times are making things difficult for some parents due to Settle Road being very busy. In order to alleviate this I have asked that we allow parents into the car park from 2:40pm. To avoid disruption I would request that parents park at the gate end of the car park unless they have express permission to enter the main parking area. This will allow easy access for buses and pupils returning from trips.
Best Wishes
Mr Allen

Please be aware that that the Contenance drop-in is on the first Wednesday of the month at 2pm with Debi Sahote. The Nurse, Dawn Beedle comes in every Monday at 2.30 pm for parents to call in or telephone.

Arts & Crafts
(Parents
welcome) 2.15pm

This week in Orange Class we have been celebrating our uniqueness! With that in mind we used a magnify glass to take a close look at our finger prints. We then used ink to mark our finger prints onto paper. All our fingerprints looked similar but take a closer look and you can see that they are all unique, just like us!

PUPILS OF THE WEEK

★ Ethan S – for learning the Makaton signs and for teaching them to his friends. ★

★ Benet-Ley – for settling well into his new school and making friends. ★
