Dear Parents,

The Gardening Club started their project this week tidying and preparing the garden by Reception ready for planting. They have some fantastic ideas and each class will have their own area. Well done!

We are organising a Coffee Morning for parents on the 2<sup>nd</sup> March and the students will be running their own Bric-a-brac stall to raise money for the garden project.

Any items you no longer want please hand into Reception

Have a great week ahead!

Pink Class:

The Pink Class topic for this half term is nursery rhymes. This week we have focussed on Hickory Dickory Dock. The children love this rhyme and are often heard singing it around the class. This rhyme made us think about time, what it does and how it can affect things.

So with our investigating minds we carried out an experiment.

What happens to seeds over time and what happens to an apple that is left out? Each day we observed both our seeds and apples and recorded the findings.

Pink Class were excited to see the final results.

**PUPILS OF THE WEEK**

★ Ayaolouwa - for trying really hard in all her lessons. ★  
 ★ Brendan - for learning and using phonic sounds to improve his reading. ★
