

Dear Parents,

Another fantastic week here and the students have been working really hard, well done everyone!

This week I have asked the students to fill out a school survey and so far they are coming back with interesting, different and new ideas. I am extremely impressed by our pupils ability to think outside the box!

Have a great weekend.
Mary Bickmore

Pupil attendance this week
92.65%

In Silver Class this week, we have been learning about mixed media. We chose as a class to look closely at landscapes. We first looked at different colourful photographs to get an idea, then we discussed about the colours and how it made us feel. We had lots of fun creating lots of different layers of chalk and paint.

PUPILS OF THE WEEK

Harry D -For always being polite and friendly.
Jessica - For working really hard in all her lessons including her exam work.
