Dear Parents,

Our students have had a fantastic week, especially the ones that participated in the Bikeability! A few achieved riding a bike independently for the first time.

Please watch the Website / Parentmail for announcements re the bad weather that is forecast.

Please take to time to follow the Pupil Premium link on the email to see if your child is eligible; this raises valuable funds for the school and your child will benefit directly. Have a great weekend!

Mary Bickmore

Cycle Ability have been in with us all week working with our students to gain confidence riding bikes. It has been a great success and fantastic to see how much our students have enjoyed this. They have all done really well and it was inspiring to see how their confidence has grown throughout their sessions on the bikes. We have another three days with the Cycle Ability team on 26th, 27th and 28th March 2018 for any students that have not already taken part. Not to worry if your child does not have a bike or is unable to bring it to school as we have been able to hire bikes including adapted bikes and trikes. Please let us know if you would like another consent form. Thank you for your continued support.

Miss Standen.
