Dear Parents,
It's been a really positive week.
Please look forward to receiving your child's targets for the Summer Term.
Gardening Club have been very busy this week preparing and planting; look out for pictures next week.
Thank you for your interest in the Parent Governor role, these have been passed to Gary Pocock, CEO.
Have a lovely weekend.

Pink Class:

In Pink Class we are learning about things that grow, this week we have been listening to the story of Jack and the Beanstalk.

We decide to grow our own beanstalk.
First we cleared all the weeds, this was hard work and took us hours!
Then we put new soil down then we began to plant our bulbs.

Each day Pink Class have checked to see if our beanstalks are growing - so far they are still hidden under the earth.

We shall keep looking after our beanstalks and hopefully they will grow soon.

► [Miss Phillips ran the London Marathon](#)

Miss S Phillips, who is a TA at Dycorts School, ran the London Marathon on Sunday 22nd April to raise money for 'Get Kids Going'

Please see all about the charity below.

She raised £1,946.46, a fantastic achievement!

This was Miss Phillips' first full marathon and she completed it in 5 hours and 1 minute. She said that it was difficult running in the heat, especially as some of the water stations had run out supplies.

We are all so proud of her!

[Get Kids Going:](#)

Get Kids Going! is a national charity which gives disabled children and young people - up to the age of 26 years - the wonderful opportunity of participating in sport. We provide them with specially built sports' wheelchairs so they can do: athletics, marathons, tennis, skiing, rugby, sailing, boccia, basketball, sledge hockey, table tennis, fencing, shooting, archery, powerlifting and many more sports. Get Kids Going! inspires British disabled youngsters to compete in sporting events, from start to paralympic level, by also giving them sports grants to help with their; training, physiotherapy, travel, competition fees, design and development of sports' equipment etc. With your help many can become world record holders and paralympic champions!
