for Pudsey and had a
spotacular day!

Dear Parents,

This week we had a visit from representatives of The Lions Club of Romford. I would like to thank them for their generous £600 donation to the school.

The money will be used to buy sensory equipment to be used in classes and to renew some of the items in one of the sensory rooms.

Please see the link below for more information about the important fundraising work the Club does.

Best Wishes

A big 'thank you' to all the parents/carers that attended our year 11 Transition Drop-in. Thanks also to Barbara Faulkner for sharing expertise in the post-16 process. We know this can be a daunting time for families and pupils and hope that the Drop-in was useful. Please remember to visit college open days, applications have to go to colleges by February.

This week as part of our community work, 'Out and About' we visited Noak Hill Sports Complex. The pupils had tour of the complex and the outside pitches and courts. They were then able to play a game of football together. They had a lot of fun and learnt a little more about the leisure facilities available in their area.
