Dear Parents and Carers,
We have had a fantastic week, the students have settled back into their routines nicely!

Gold, Red and Yellow Classes started their swimming sessions this week and all students made us very proud with their fantastic behaviour.

Everyone has been very welcoming, during assembly last Friday singing club performed a song which they dedicated to me.

Have a good weekend!

Blue Class interview our new Principal:

Blue Class had rare access to interview a new famous face on the scene at Dycorts School. Miss Bickmore was interviewed by our top reporters from Blue Class. They had written some very creative questions which were addressed very clearly to our new Principal. Blue Class found out that she likes animals and she is always happy; her favourite planet is Earth and she really likes Henry from Thomas. Blue Class have been looking at how to write a newspaper report and how to create a headline. The class worked extremely hard to create a very interesting report from the interview with Miss Bickmore. Special thanks to our photographers Ben and Harley! A great start this week to our new topic "What's in the News?"

PUPILS OF THE WEEK
