Dear Parents,

Thank you for all your support this week and going forward with the new car park times, it is appreciated.

Please see that the date for the next Parent's Evening is Tuesday 10th July.

Another date for the calendar is 'Dycorts got Talent' on Friday 13th July, a letter will follow nearer the time with the full details but expect a fun show from our pupils (and staff!) who will showcase their best talents.

Have a lovely weekend!

Gardening Club:

The very talented pupils from Gardening Club have been working very hard to transform the front of the school both during Monday lunchtimes and golden time in the afternoons. They have cleared, planted and decorated the trees. The pupils have learnt all about preparing the soil, planting and then maintaining the plants.

We are particularly impressed by the 'Dycorts' in flowers.

We are excited every week to see the Club's new projects; next we have the planting of some wooden planters that have been made by pupils at the William Morris Site of Hornbeam Academy and they delivered them here today. Well done Gardening Club!

PUPILS OF THE WEEK:

Faris – for working hard in all his lessons

Owen – for excellent writing

All-Weather Artwork:

Pupils from the school have had their pictures transformed into All-Weather artwork that has been attached to the metal fence as you drive into school. Please take a moment to look as you enter.

A Big Thank-you to Mick our Caretaker!

Mick has been bringing in Krispy Kreme doughnuts that have been kindly donated by his old employers and we have been selling in them in the staffroom to raise money for the provisions for Gardening Club.

I hope that you'll agree that this is very kind of him and the staff have been very happy to participate!
