Parents Evening

Dear Parents,

Due to funding changes we will be unable to continue to offer a free breakfast club. I would like to keep the club available as I understand it is very helpful for parents. In order to keep the club at its current level a daily charge of £1.50 would be needed for each child attending. I would appreciate any feedback from parents using the club as to whether this would be manageable.

Best wishes

Mr Allen

On Wednesday afternoon Blue Class visited Thorndon Park. We experienced spending money in a real life situation. We then went for a walk looking for the characters from The Gruffalo. We collected leaves and twigs ready for our parents to come and join us on Monday afternoon for some fun arts and crafts.

PUPILS OF THE WEEK

Todd- For fantastic singing and dancing in the music session.

Kelvin-For choosing to play with a friend and reading a book together.
