Dear Parents,

I would like to take this opportunity to remind you that we have a slightly longer half term break this term due to staff INSET (training). The last day for pupils is Wednesday 18<sup>th</sup> October and pupils return to school on Monday 30<sup>th</sup> October.

Thanks to all of you who were able to attend Harvest Festival Assembly today and a special well done to Blue Class for their hard work.

Best Wishes

Mr Allen

**Note from our Music Therapist:** "Parents/Carers are welcome to refer their child for music therapy within school. Music therapy provides children with a means of expression and communication without the need for words. Development of emotional well-being, self-awareness, confidence, ways of relating and social skills can be encouraged. Please contact me on [short.helen@gmail.com](mailto:short.helen@gmail.com). I'm in school on Thursdays."

Purple Class have been busy this week making pizzas. We have discussed whether the pizza toppings are healthy or unhealthy to eat. Purple Class really enjoyed making their pizzas and had even more fun eating it after it was cooked!

**PUPILS OF THE WEEK**

**Matthew B - For settling well into his new class and making friends.**

**Ethan R – For always listening and completing his work.**
