Dear Parents,

Another great week here at Dycorts! Students have been busy creating some wonderful work for their display boards, they are looking fantastic.

We are in the process of arranging the after school clubs which will be on Wednesdays and Thursdays. We will keep you posted.

Have a wonderful weekend and I look forward to seeing you at our coffee morning next Friday 2nd March at 9.15 a.m. to 11 a.m.

Mary Bickmore

We would like to thank Mr and Mrs Harrop and Mr Peppitt for their valuable contribution and support in helping to produce a new Food Policy for the Academy Trust.

Purple Class

Purple Class have been working really hard this week in their PE lessons. We have been thinking about how to make objects such as balls and beanbags travel to another person or target. Purple class have been working well as a team and in pairs to make balls and bean bags move. Some of us even got to lead parts of the warm up!

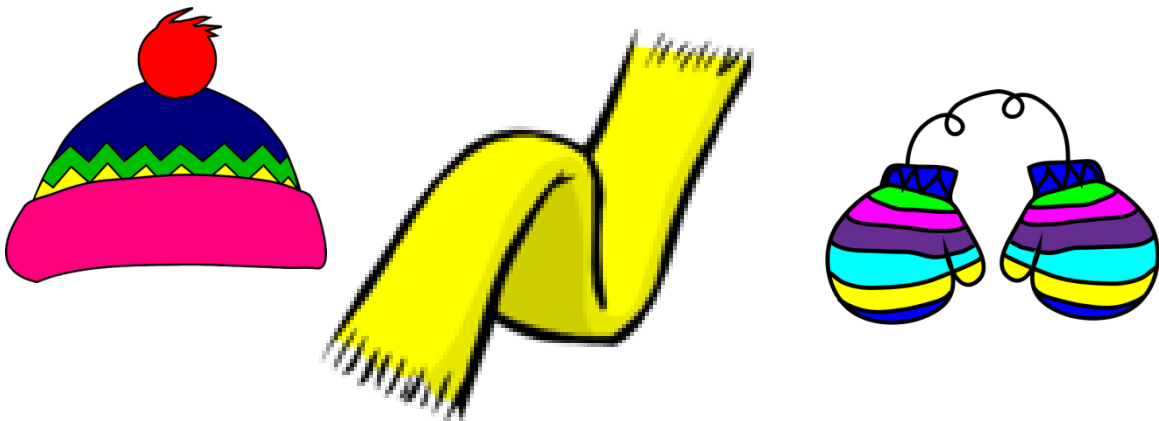

PUPILS OF THE WEEK

Alex from Gold Class - For working really hard in his exam work
Dawid - for playing nicely with his friends and for always remembering to say please and thank you

LBH Transport Services have asked us to forward a link to a job advert for passenger Assistants:

Please use the gate end of the car park when collecting children from school. For the safety of pupils, parents and staff, it is important that parking in the main car park area is restricted when pupils are being escorted to their transport home.

The weather forecast for next week looks very cold, with the possibility of snow!

Please remember warm clothing for all the children.

If we do have heavy snow, updates on school closure will be sent by Parentmail and on the school website:
