NEWS

FROM THE HEADTEACHER

Another term is over and I hope all parents and children have a lovely Easter and break, to get ready for the summer term. It will obviously be our last one in the current school buildings. Which does mean as the term goes on we will be getting ready to move into the new school. I will do another meeting for parents during the summer term about the new school.

Also as we end the term we say goodbye Miss Tye, who has worked in both year 3 and reception classes, we wish her every success for the future.

FROM THE PTFA

Last weekend our brave runners took on the 10km run challenge and completed it with style! We were honoured to

have Olympic distance running legend Jo Pavey start the race for us. Enormous thanks to all those who participated, helped behind the scenes, and especially to you generous sponsors, this event raised a staggering £3,500!

If your child has signed up for one of the children's **sponsored challenges**, fun run, danceathon or readathon, then they will have received their sponsorship pack this week. It's not too late to register for any of the events, please contact the PTFA.

The children have brought home **raffle tickets** this week, please help them sell tickets to friends and family, the top selling class will be invited to cut the ribbon at the official opening of the new school building! If you need extra tickets, please see your class teacher or the PTFA, any you sell in your work place etc will count towards your child's class total... A list of prizes is attached.

The next PTFA meeting is Wednesday 25th April 2018 at 19:45 at the Canon Inn. All are welcome!

Year 5 will be holding a meeting on Wednesday 18th April at 9am in class RT, on the upcoming Year 5 residential trip in June. This will be a more detailed meeting, for an opportunity to talk about the residential, the weekly schedule, kit list and answer any questions you may have.

Top: Year 6 Vikings and the new school hall

Middle: a classroom in the new school building and the Year 5 Greek Day.

Bottom: Children in Years 1 and 2 have been enjoying their new Lego Club.
