The Weekly Newsletter from Newton Poppleford School

Friday 10th July 2020

Dear Parents/carers

I hope you are all well. It does look like we should get a weekend with some decent weather.

I know you will all be keen to learn of our plans for September. We are still working through all the guidance from the DfE and also awaiting further guidance from Devon County Council. I do plan to get some information out next week. Equally, there will be more information coming from school in the following week as well, so please keep checking your emails.

It will certainly be lovely to see all of the children back in September.

From the September term, we would like it if parents from Year 2 upwards would be willing to help us out by providing their child(ren) with an individual pencil case to be kept in school. *This will assist us with practical cleaning issues and also reduce the amount of items that children share in school.*

The pencil case should contain the following stationery items:

Pencil (HB)

Sharpener

Eraser

Glue stick

Whiteboard pen (medium nib or whichever your child is comfortable using)

Eraser (matchbox-sized sponge is suitable).

A small assortment of coloured pencils

We would like to stress that please only provide this *if you are able to* as we will continue to supply pupils with items if needed. Other additional items will also be provided by the school, eg. rulers, handwriting pens, scissors, purple pens etc.

Reports for all children from Reception to Year 6 will be sent out by e-schools email during the late afternoon,

Many thanks

Stuart Vaughan
