## 2ND NOVEMBER 2018 NEWS

The school Eco Council have been inspired by our recent whole school topic - A WAY with Waste. We have been discussing ways to reduce, reuse, recycle and take care of our environment. As a team, we decided that one action we could take as a school, would be to REDUCE our packed lunch waste to as close to zero as we can. We are planning a Waste Free Packed Lunch week!

Next week we are carrying out a packed lunch waste audit. We will be asking if all waste from packed lunches can be collected on Thursday 8th November to monitor the amount of waste that we, as a school, produce each day.

Over the following weeks we will be helping to promote ways to reduce the amount of waste in our packed lunches. We will be carrying out another audit towards the end of November and hope to see that the amount of packed lunch waste has been drastically reduced.. Thank you for your support–Mrs Turner and the Eco Council.

- Poppies will be on sale in school next week.
- Reception class will have vision screening on Monday 5th November
- Flu vaccines for children in Reception to Year 5 will take place on Tuesday 6th November.
- If your child has forgotten to bring something into school please use the 'Forgotten Box' which can be found on the bridge by the door. Please clearly label anything put in the box. Press the buzzer to let the School Office know. Although we will check the box a couple of times a day we do not guarantee to get items to the classes for a specific time.
- The photographer thanked parents for the lovely feedback and wanted to remind everyone that the school photographs are still available to purchase until 30th November 2018? After this date, they will be taken down from the site.

## FROM THE PTFA

Congratulations Kai Furzer (Y5), who made the winning Guy face for this year! It was a tough choice for our judge from the Parish Council, who decided that Austyn Walker (R), Samuel Walsh (R), and Oscar Stone (Y2) were worthy Runners

Up, and that several more warranted Special Commendations. Kai will see his face on the Guy (made by the very talented Year 1 class) that sits on the bonfire tonight, and will also get to start the fireworks display! Well done to all participants, a selection of the fantastic entries are on display in the reception foyer.
