## JANUARY 25 NEWS

### FOOD HYGIENE INSPECTION

We had a visit from FSA recently and were pleased to be awarded a Food Hygiene Rating of 5 (very good)!

### NORMAL MAGIC

The EH4MH Service are delivering a workshop for Parents & Carers at Newton Poppleford Primary School on the afternoon of WEDNESDAY, 6th FEBRUARY. This workshop focuses on what mental health is how we can all use M.A.G.I.C. in our interactions with children and young people to help support their mental health. It also looks at the importance of balancing our mental health by making positive choices. You will hear how you can work alongside school in supporting your child or young person's mental health, and learn more about looking after your own mental health! More details can be found in the letter sent home in school bags and previous week's School Matters.

### LEGO CLUB

If you have any unwanted Lego, it would find a caring home in Lego Club. Please see Mrs Bradley with any donations.

### ITEMS FOR SALE

We still have some surplus Fire Extinguishers—Water, Foam and CO2 extinguishers and 4 Eurolive B215XL 1000Watt 2 way PA speakers with 15" Woofer and 1.75" Titanium Compression Driver. See last week's School Matters for further details. Please either email or call into the office if interested.

### HOME SCHOOL BOOK

Please could you use the Home/School Book to let us know when your child is going home with a different than usual adult.
