March 22 News

School Entrance

As I am sure you have all been noticing, we are finally getting towards the end of the building work! As part of these last phases we are going to have to change entrances once again. It is currently planned that from next Tuesday 26th March we will be doing the following;

- All children to enter via the new entrance.
- Gates will be opened at 8:45 am.
- KS2 children to enter the school using the bridge by the main entrance (the alternative bridge to the one currently used)
- KS1, reception and pre-school children to use the path that branches off from the main path to the right and follow this down to the lower playground.
- Children going to breakfast club will also use the path on the right before the bridge - there will be a doorbell to press to alert staff to let you in, similarly parents collecting from twilight use this.
- Timings for children coming out of school will remain the same until after Easter

If the date for this changes we will advise by email on Monday

I am hopeful that when we come back after Easter we will have use of the top playground. How this will work I will let you know in a future School Matters.

Kind regards, Stuart Vaughan

Other News

The Reception class Cake Sale has postponed until after Easter.

School Meals are going to go up in price to £2.30 from the start of the Summer Term. Please could parents settle any outstanding dinner money amounts (either cash or online payments are acceptable).

The Pond Party will take place on Friday, March 29th from 1.30pm to 3.00pm.

Please see the accompanying Letters Home email or the School Matters Extras news item for lots more information.
