Can you offer a 'Home from Home'?

Berkeley Guardians is looking for welcoming hosts who are keen to share their home with international students who are requiring accommodation during school holidays or emergencies

Why would you consider Homestay?

- Are you an 'empty nester'
- Have your own children left home?
- Do you have a spare room?
- Do you enjoy the energy of being around young people?
- Would you like to earn some additional income?

Whatever the reason, hosting an International student can enrich your life in many ways. Students visit the UK from all over the world and each one brings their own culture, language and personality. As their host, you will be a key part of their experience and understanding of the British way of life and in return will benefit from learning about them.

The team at Berkeley Guardians (Gold Accredited

member of Governing Body AEGIS and Certified member of BSA) is looking for friendly homestay providers to host our international students (ages between 8—18) and university students.

Attractive daily rates and expenses ensure excellent financial opportunities and the current Government 'Rent a Room Scheme' allows you to earn up to £7,500 per year tax-free from letting out furnished accommodation in your home.

Quotes from existing homestays working with Berkeley Guardians:

"Both the children were a delight to host and we enjoyed having them as part of our family"

"They were honestly wonderful to have with us"
