MESSAGE FROM MISS HURFORD

Dear Parents and Carers,

This week has been full of festive fun and excitement. Saturday night started the Christmas proceedings with a great turnout at the 'light parade' in Tiverton. Thank you to everyone who came and supported us. The children flew their birds high and the Angel was carried by two very supporting dads.

Last night's Foundation and KSI Nativity was a huge success. 100% attended and were supported by family and friends. The church was full and the children's performance was spectacular. Thank you once again to all the staff and members of the church who made this very special event possible.

While I am writing this, the preparations for the Christmas Fair is underway. The children are very excited and looking forward to welcoming you all into school, to spend your hard earned cash. Once again, an enormous thank you to the PTFA who work tirelessly, to make raise money for your children and bring sparkle to school events.

Only one week to go.... holidays are coming....

Miss Hurford

Family Points

Aisthorpe

Peverell

Dinham

Powlett

Powlett have gained the most family points this half term and so have earned themselves a non-school uniform day next week on Friday 15 December. Well done!!

Mathematicians of the Week

Seacole : Ashton

1/2 Terms	23rd - 27th October	12th - 16th February	28th May - 1 June

Our Christian Values are:

Teamwork

Forgiveness

Respect

Honesty

Kindness

Faith

CLASS NEWS

First Steps and Darwin

Foundation have been learning all about the story of the Nativity in preparation for our Christmas production. We have enjoyed acting out the story of Mary and Joseph in our role-play stable and small world area, made paper chain numbers and Christmas decorations. Well done to all of the children for their performances in our Nativity, you were amazing!

Seacole

Well done to all of Seacole Class for an amazing performance of 'It's A Nativity!' last night. I am really proud of you all.

We have been finishing off our work on shape and have had fun making decorations and decorating cakes for the Christmas fair.

Next week, we will be investigating ice and making our Christmas cards to send home. Have a lovely Christmas and healthy, happy New Year!

Lewis

This week in Lewis Class we have been finishing our block on multiplication. The children have worked really hard at learning their times tables and many of them have improved their scores a lot. Well done!

In English, the children have planned and next week are going to write their own versions of 'How Night Came', which was the story that they performed with puppets last week.

Finally, the children have been busy making lots of different crafts for Christmas and biscuits for the Christmas fair. It's beginning to feel a lot like Christmas!

Drake

This week the children have been getting all Christmassy! They have written several fantastic pieces of descriptive writing about the snowman and they have now moved onto writing instructions for Christmas crafts.

In science they have finished off circuits by looking at series and parallel circuits.

Finally they have been preparing games for the Christmas fair!

Nativity Photos

The photographs from the Nativity Performance last night have been ordered however they are unlikely to arrive before the end of term next week.

You can pay for all photographs ordered upon collection and we will let you know when they have arrived.

School Dinner Menu

The menu for this term has been updated with additional allergen information.

A copy of the new menu is on the school website but if you would like a printed copy please ask at the school office.

Home School Agreement

Please return outstanding signed Home School Agreements to the school office as soon as possible next week.

Hello, I would like to introduce myself as the new Special Educational Needs and Disabilities Coordinator (SENDCo) for Sampford Peverell CofE Primary school.

I have been working as a primary school teacher for over 12 years and as a SENDCo for more than 8 years.

I have been working for Ventrus Multi-Academy Trust for the past 4 years and in that time have supported a number of schools as well as working across more than one school on a regular basis. I will be sharing my role with another Ventrus School in Exeter. As a trust we support coordinated working styles, which enables us to share and distribute expertise a real strength of the trust.

I look forward to working with the children and families at Sampford Peverell CofE Primary school.

Sampford Peverell School School Fundraising Scheme

What is Book People's School Fundraising Scheme?

We understand that fundraising plays an important part in raising the money needed by schools for books for their classrooms and libraries. Book People's School Fundraising Scheme is our way of helping you raise these valuable funds without it costing you a penny, by giving your school 10% of the value of every order you place to spend on books. And there's more – you'll also be rewarded with exclusive offers that you won't find anywhere else, as a thank you for helping your school.

It's a simple as A, B, C...

- A** Visit www.thebookpeople.co.uk/school-fundraising and enter your school's unique Fundraising Code.
- B** Shop our extensive range of books, gifts, toys and stationery. Your school earns 10% of your order in School Savings.
- C** Your school spends their School Savings on new books for their classrooms and library.

Your exclusive offer:

**£5 off when you spend £20. Offer expires
midnight 15 January 2018**

£5 off when you spend £20

School: **Sampford Peverell School**

Link: www.thebookpeople.co.uk/school-fundraising

Starts: **Wednesday, April 19, 2017**

Expires: **Monday, January 15, 2018**

Fundraising Code:
UnP87bi
