

# World Book Day 2013

We think that reading is really important at Whimple School and we love our books! We celebrated world book week with an event called 'The Big Read'. We dressed up as our favourite book characters. Can you guess who we are?

Have you guessed who  
We are yet?

'Anne. Author came to visit. She needed help to write her stories.

We had to decide on who the characters were, the setting and the plot. We also had to think of language that would make an impact on the reader and add interest to the story.

We all worked together to write the beginning of the story and worked in our classes to write the middle and the end.

We had a great day!
