

Year 6 SATs Scores 2016

As you are aware, the expected level of attainment for year 6 pupils was raised for 2016, linked to the new curriculum. As a result, the SATs were a huge challenge for those pupils. There has been a great deal of progress and effort by these pupils and I am pleased to let you know that our average scores are above the national and Devon averages. There is a 'scaled score' system, which works on the idea that 100 is expected attainment for end of year 6, ranging from 80 to 120.
