Swimming Provision in Whimble Primary School

At Whimble School, all children have tailored swimming sessions with specialist coaches in Years Four, Five and Six. Due to our mixed class make up, in some years, children will also swim in Year Three.

Our provision takes the form of 6-8 hour sessions each year in line with exceeding the expectations set out in the national curriculum. Swimming at Whimble is paid for using the school budget and any extra sessions are catered for with the Sports Premium Grant.

For the 2017/2018 cohort (14 children) the data below applies, following our swimming lessons in the autumn term:

	Yes	No
Swim competently, confidently and proficiently over a distance of at least 25 metres	71%	29%
Use a range of strokes effectively	71%	29%
Perform safe self-rescue in different water-based situations	43%	57%
