

## Mount Street Primary News

15<sup>th</sup> December

Dear Parents,

Thank you all so much for supporting the various events that have been taking place this week- helping to walk the children safely to the Central Hall for their play rehearsal and to the St. Andrew's Church for their choir singing; providing food for the various Christmas parties; by helping us to raise money for Save The Children by wearing Christmas jumpers and for supporting Maizie in Year 3 with her fundraising for the Princess Trust. I am sure that Maizie appreciated all of you who came along to support her this afternoon as she had her hair cut in order to create a wig for a child suffering from cancer: family, friends and both Councillor Singh and Councillor Ricketts. It was a truly thoughtful gesture on her part, thinking of others.

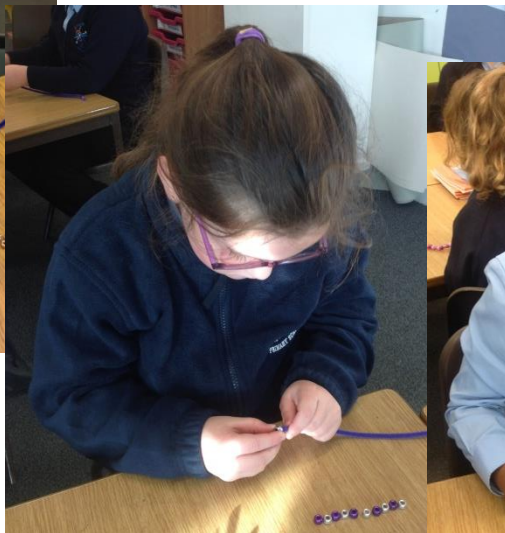

Over the last few weeks the children have been practicing, ready for their Christmas performances which we hope to see as many of you as possible at. ME2, Nursery and Reception will be performing their play on Monday 18<sup>th</sup> December. The morning performance starts at 9:45 and the afternoon performance starts at 2pm. The rest of the school will be performing their play as usual at the Methodist central hall at 2 pm

A couple of requests: The office has requested that any outstanding dinner monies are paid before the end of term. Also, we have had a couple of issues this week regarding parking outside the school. We appreciate the difficulties that there are with parking near the school but please avoid parking in the resident permit spaces and in the staff car park.

If you are thinking of getting your child a guitar you may be aware that we use Mr Norman to give lessons in school. Please ask at school for his contact details when you think about buying lessons.

The children in Year 2 have been thinking about what makes a good set of instructions. They followed Miss Knox's verbal instructions to make a Christmas Pipe Cleaner Candy Cane. They had to listen carefully to hear the time words and bossy verbs she used in order to make the Candy Cane correctly. Have a look at us being busy making them and at our finished product!
