Thank you!

Thank you to all of the families who are following the Byker Fitness Challenge! If you have not yet joined us there is still time. Check out the Walkergate or NEAT Active Facebook pages to see what is happening.

Thank you also to Newcastle University who have donated £100 towards books for our school too after doing some fitness work with children in the autumn term.

Also a big thank you to Regal Catering who are going to donate all money from carrier bags they sell in the shop to our school.

Toothbrush Challenge!

This week in school we have started a Toothbrush Challenge! Some classes have had virtual visits from dental professionals and we have all been discussing the importance of keeping our teeth healthy. Each child has a toothbrush challenge sheet which they will use to track how often they are brushing their teeth over the next 4 weeks and there will be special certificates for those who manage to brush twice a day for the 4-week period. 30 Hour Nursery Garden

George Wiseman a family friend of Mrs. Rye kindly gave his time, hard work and skills to create another amazing outdoor mud kitchen for the 30 hour room provision garden. He also made a big reading chair with spare parts he had. We are so grateful to George and the children love the new additions.
