Dear Parents and Carers,

Attendance

We received a visit this week from the new local Attendance Officer from Dorset County Council who has provided further clarification regarding our legal responsibilities in reporting absence to the local authority. She outlined the local authorities new expectations with regards to information that we need to provide as they will now be more proactive in cases where children's attendance is consistently low with little or no signs of improvement. We have now been advised that the authority have become more involved, and started to introduce fines if attendance is poor.

Another key message was that, if a child's absence is low (below 95%), then no absence should be authorised (eg family weddings for religious observation).

I hope this makes our position clear, and that you appreciate that we are following legal responsibilities.

We know that some parents / carers do not like to receive our termly letters for pupil's whose attendance falls below 95%, but again, we were informed that this is best practice and a key factor in ensuring that all children are kept safe.

School Dates

Can I just remind you that Monday 6th June is an inset day and the children return to school on Tuesday 7th June. Please check the school calendar for details of all inset days, school events and school holidays.
