Dear Parents/Carers,

It has not been recent practice at Sticklands for Governors to write to you, but given the concern felt in the school by the Ofsted result, the Governors at their meeting yesterday evening felt we should do so. We commend all staff on their reaction to the set-back and thank them for their hard work, and would also like to thank you all for the support and confidence that you have shown in the knowledge that staff at Sticklands' put your children's well-being and happiness as a priority.

We have strengthened the reporting that comes to us and the information that will help us to be certain that we return to being a good school as soon as possible whilst providing a broad and balanced education for your children. As governors, we are all in school more regularly observing what is happening and making sure that the happy learning environment which so characterises Sticklands continues to be maintained. We normally wear badges saying who we are, so if you wish to speak with any of us, do feel able to say hello.

Meanwhile we hope you and your families have a relaxing half term.

Yours sincerely,

Richard Campbell.

Chair of Governors.
