21st March 2017

Dear Parent

Y4J Class Mass Friday 24th March

Please join with our Y4J children as they celebrate a class mass together. Mass begins at 9:15am. All welcome.

Y5/Y6 Children's Sleepover...

Our Y5/Y6 children have raised £1800 for St Basil's, the charity supporting homeless youth (16 years – 25 years) in Birmingham. The idea came from the children themselves and has proven to be a remarkable success. We are so proud of them all not only for the money raised but also for the heart with which they have driven this fundraiser. Thank you to all parents, family, friends and neighbours who sponsored them AND to the staff who supported them during their sleepover. My thanks to Mrs Tame for organising it.

Mothers' Day

We celebrate Mothers' Day on Sunday – our best wishes to all our mothers – I hope you all have a day of well-deserved pampering and treats ahead of you.

British SUMMER Time: clocks going forward at 2am (Sunday morning). Let us all pray for a summer of sunshine and safety (even though Spring only officially began yesterday).

School Uniform

Please remember that the children should wear their ties each day and these good habits are important to form. May I also remind you that the girls should not wear nail varnish during the school week. Thank you.

Staff INSET Days

Our final two days have been booked – 19th and 20th June. The school will be closed to the children on both days.

Water Bottles

A number of children are not bringing in water bottles and therefore may not be drinking all day long. Children need to be hydrated to think clearly and should not go the whole day without a drink. Please ensure that your child has a drink at least with their lunch.

Lenten Fundraiser

This Friday is bronze coin collection day – each class will lay out their coins to measure so as to determine which has brought in the most. Results next week ...

***God does not ask for our ability or our inability,
but our availability.***

Yours sincerely

H M Cusack
