It is important that you read the admissions policy

**Admissions Policy**

- a Children in public care (looked-after children)
- b The presence of an older sibling already in the first school and still in attendance at the expected date of admission.
- c **Children** identified by the appropriate professional bodies as having "special medical or social needs" who live within our 'designated' area.
- d Children who live within our 'designated' area.
- e Children who live outside our 'designated' area.

After applicants in a, b & c have been accommodated and the number of applicants in d exceeds the places still available, the Governing Body decided that places, in this case, should be given **according to age**, with the **older** children being given preference.

Allocation of morning and afternoon places will be based, wherever possible, according to the child's age. **(The younger children being accommodated at the morning session and the older group in the afternoon.)**

Sessions are:- **Monday – Friday morning 8:50 a.m. – 11:50 a.m.**  
or **Monday – Friday afternoon 12:30 p.m. – 3:30 p.m.**

**All allocated 5 sessions to be taken.**

It should be noted that an offer of a place may be withdrawn if information supplied by you on your application is intentionally misleading or fraudulent.

**I have read the above and undertake to inform the school of any change of circumstances before the end of the Spring Term.**
