

COVID-19: Outbreak Management Plan
September 2021

When should my child self-isolate or miss school?

NO

- All children **MUST** attend school unless they are ill.
- From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid.
- Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.

YES

- If your child develops Covid symptoms at home, they should stay at home and should book a PCR test - NOT a Lateral Flow test.
- If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test.
- If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated. They should book a PCR test.

Community Covid Risk	Description	Actions
 <p data-bbox="181 501 405 624">Low Community Transmission. No School Cases.</p>	<ul data-bbox="504 268 1131 459" style="list-style-type: none"> • There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/ or stable. • Hospitalisation/deaths due to Covid nationally are low. 	<p data-bbox="1162 268 1713 296">No Covid measures are necessary beyond:</p> <ul data-bbox="1162 325 2101 475" style="list-style-type: none"> • Reminding children of good hand-hygiene. • Ensuring good ventilation encouraged where practical. • Ensuring children/staff to stay at home if they have Covid symptoms (and to book a PCR test). <p data-bbox="1162 539 2107 608">Staff will be asked to continue to test themselves using Lateral flow tests until the end of September.</p>
 <p data-bbox="120 911 468 979">Rapidly Rising Community Transmission</p>	<ul data-bbox="504 655 1126 1002" style="list-style-type: none"> • No current Covid cases have been recorded at school, but... • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • Newcastle Public Health / Public Health England issue warnings of expected local/ national infection wave. 	<ul data-bbox="1162 655 2107 890" style="list-style-type: none"> • Ventilation of classrooms increased & hand-washing supervised. • Large indoor public performance audience numbers reduced. • Staff-room capacity is reduced. • Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment & discuss additional protection (e.g. use of face coverings, reduction in movement between classes/ groups).

Number of Cases:	Description:	Actions:
 <p>A single child tests Positive</p>	<ul style="list-style-type: none"> A single child tests positive for Covid in a class. There are fewer than 5 cases in the year group. No other year groups are affected. 	<ul style="list-style-type: none"> The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete this. The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. Likely contacts will be contacted by NHS Track & Trace and advised to book at PCR Test. The school will contact parents to advise this if close contacts are known. Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.
 <p>5 children or staff within a year group test positive within 10 days of each other.</p> <p><u>OR</u></p> <p>3 children or staff in a single class within 10 days.</p>	<ul style="list-style-type: none"> There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within that group of children/staff. 	<ul style="list-style-type: none"> As above for each positive case. The school will discuss the outbreak with Newcastle Public Health and agree strengthening protective measures <u>for 10 school days</u>, which could include: <ul style="list-style-type: none"> Re-introducing staff face masks for corridors & communal areas. Adapting, limiting or postponing indoor sporting events, trips, open days and performances. Reverting to assemblies in classrooms. Reverting to bubbles. Resuming twice-weekly staff lateral flow testing.
 <p>Covid cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school. 	<ul style="list-style-type: none"> Meeting held between school and Newcastle Public Health to agree further measures, <u>for a further 10 school days</u>. This could include: - <ul style="list-style-type: none"> Reverting to class-based lunches. Limiting all non-essential visitors Postponing all non-essential events. Re-introducing remote learning for individual classes for 10 school days.

The school will inform parents of any changes to Covid measures should these be needed.
