CELEBRATIONS

Who will it be?

Every Thursday the teachers take turns to choose a writer of the week.

ASSEMBLY CERTIFICATE

Every Friday morning, 3 children from each class will share their work in our Sharing Assembly, to which their parents will be invited. One child from each class will be presented with an Assembly Certificate.

KINDNESS AWARD

- ◆ Ema Saverimattu for sharing the water toys

No birthdays this week.

Welcome back to a new school year and a very warm welcome to the new Dropmore families and staff members. We hope you have enjoyed the first few days.

Welcome also to the first edition of 'DROP SPOT' our weekly newsletter. We hope you find the weekly updates useful and informative. We welcome any feedback you may have while we are in the early and developing stages of this newsletter.

The Reception children have settled in remarkably well, with smooth drop offs and blossoming friendships during the morning. The Year 1 children look so grown up and have really impressed us with their attitude and behaviour. The Year 2 children have stepped up to their role and responsibilities as the oldest children in the school. A very proud moment!

Our first week has already been a busy week with a Japanese delegation visiting us on Thursday afternoon to learn about the educational system in the UK.

You may notice that some work has been done in the summer holiday: the entrance area has been painted, the library has been cleaned and all 3 classrooms have been fitted with new, state-of-the-art interactive panels, replacing our old and faulty interactive whiteboards. A huge thank you to the PTA who have very kindly funded this project.

Welcome!

Dropmore Infant School is a small, friendly school in an idyllic rural setting that has educated children in the local area for over 200 years. It is surrounded by open countryside with a large playing field and landscaped areas, including an adventure playground, pond, vegetable plots, orchard and wild flower area. The school has benefited from much refurbishment and improvement over the recent years, but still retains its unique charm with the old thatched roof building.

At Dropmore Infant School children are at the centre of everything that we do. We are strongly committed to developing the 'whole' child, both personally and academically and are in a fortunate position to offer small class sizes. We provide an interesting, challenging and creative curriculum which caters for all abilities in a safe, happy and stimulating environment. We aim to create the foundations for all children to become successful, confident and independent learners.

We have high expectations for all the children that are placed in our care. Behaviour is excellent and the children are proud to be part of one of the
