

Our **Grade Ruan** Topic for this term is 'Making a Difference'. We will be using the children's ideas and interests to plan our topic work.

Grade Ruan's Roots and Fruits themes this term are **Perseverance** and **Justice**. We will be linking these to our collective worship assemblies at school and Church.

WOW! Reception parents: please don't forget to use the WOW! sheets on the notice board in the cloakroom to record any achievements your child impresses you with. These are then put in their learning journal to help record their individual learning journey.

Our main school rules are: **Be Safe, Be Kind, Be Respectful, Do your best**

Children who work hard and behave well are rewarded with a school team point, which are added up each half term. Each week a Rose of the Week will be chosen for their outstanding achievement in a particular aspect of school life. They will be able to bring our Rose Class boat home for the weekend and write about their adventures in the class diary!

Welcome back! We hope you had an enjoyable and relaxing Christmas holiday. We are looking forward to an exciting term – some of the highlights will be

- Developing our learning environment
- Local trips to support our topic
- Easter celebrations

## Rose Class Spring Term Newsletter 2020

The Reception children will continue to aim for the Early Learning Goals in the seven different areas of learning.

Year 1 and Year 2 children will be following the National Curriculum for their learning.

Please continue to hear your children read each day and record your comments in the reading record.

Y2 will continue weekly spellings and a test on a Friday. Please help your child to learn these throughout the week, thank you.

### Uniform

Everyone has begun the term looking very smart in their uniform. Please remember to name all garments, particularly school sweatshirts. P.E kit items should also be clearly labelled. Please ensure that children have their PE kit in school every day. We will also need the children to have a coat in school as we make use of the outside environment most days.
