11th October 2021

Dear Parents/Carers

Trip to CAST and Helston Museum, Tuesday 19th Oct. 2021

As part of this term's history focus looking at differences between past and present living, Rose Class will be visiting Helston museum on Tuesday 19th October. In addition we will also be taking part in a 'Chromocopia' workshop at the nearby CAST centre where we will have the opportunity to extend our art curriculum through the exploration of colour, particularly experimenting with its use in nature.

We are lucky to be able to access these workshops free of charge, thanks to a grant left by the Garcia Family Foundation and volunteers at the Museum of Cornish Life.

Please can you send your child into school as normal in their uniform. Start and finish times will be the same as any other school day. As well as their normal drink bottle they will however need a packed lunch. If you wish to order a school packed lunch please fill in the attached slip and return to school as soon as possible.

Many thanks

Mrs Legge
