

Our **GradeRuan** Topic for the Spring term is 'The Deep'. As usual, we will be using the children's ideas and interests to plan our topic work.

Thank you for your dedication in hearing your child read every evening. It has such a positive impact and it is lovely to see how much progress is being made. Please remember to write a comment on the reading record, thank you.

**WOW!** Don't forget to use the **WOW!** sheets on the notice board in the cloakroom to record any achievements your child impresses you with. These are then put in their learning journal to help record their individual learning journey.

Our main school rules are: **Be Safe, Be Kind, Be Respectful, Do your best**

Children who work hard and behave well are rewarded with a Super Star Fish certificate which will be presented in assembly. Each week a Starfish of the Week will be chosen for their outstanding achievement in a particular aspect of school life. They will be able to bring our 'pet' starfish Sparkle home for the weekend and write about his adventures in the class diary!

Happy New Year

### Starfish Spring Term Class Newsletter

2019

We will use the outdoors as often as possible to explore our amazing natural environments. Please ensure that your child has a coat at school every day.

Reception children will continue to aim for the Early Learning Goals in the seven different areas of learning. They will also carry on with their Letters and Sounds Phonics programme.

### Uniform

Everyone has begun the term looking very smart indeed. Please remember to name all garments, particularly school sweatshirts. P.E kit items should also be clearly labelled. Please ensure that children have their PE kit in school every day.
