16th November 2020

Dear Parents and Carers

Notice of Closure of Breakfast Club

As you know, last academic year we consulted with you all about our wrap around childcare and due to not enough parents needing this service, we had to close the after school club. I stated that I would try to keep the breakfast club open as long as I could, as long as there was a need for this too.

Over the last few weeks, on most days, we have had no children at all booked in and no bookings for the future; again, this means that money that should be spent on support for the children during the school day is being lost. Unfortunately, we cannot afford to fund the provision, especially with no children using it.

Therefore, after consultation with the governors, the breakfast club will stop running at the end of November with the last day being on Monday 30th November 2020. This will be reviewed should the need arise again.

There is good news however, if you do need childcare in the future; Grade Ruan Under 5s have set up provision for children up to age 11 at the village hall and are offering both breakfast provision and after school provision. During these times, GRU5s will be catering for the needs of the older children and will provide age-appropriate activities. The team will walk your children to school and/or pick them up at the end of the school day too. Please contact Clare Tipper on 07929 902938 if you would like more information.

Many thanks to those of you who used the Breakfast Club over the last few years and I would like to say a big thank you to Katey Jane who provided such great care to the children during this time.

Kind regards

Louise Jones
